- Avoid taxis.

Please make your inquiries about trains in www.trenitalia.com

Do **not** accept help from strangers, they will help you carry your bags or some other scams and then they won't let you go until you give them money.

Useful information: Some currency exchange booths in Italian airports sell **mobile phone SIM** cards (not in Genova airport), so for 20€ you can have a telephone/internet line the full week.

ACCOMMODATION

Our best suggestions are **Hotel Continental** and **Hotel Metropol**, there are agreements between Styleitaliano and these Hotels, you can book by email or phone mentioning "Styleitaliano" to receive an extra 10% from the regular fee.

For a luxury stay there is **Hotel Santra Margherita Palace** that has an agreement with Styleitaliano. If you are coming in couple or sharing a room, **Hotel Blu-di-te** may interest you. If you want economic stay search for **Primo Sole B&B** and a bike rental. March is still low season, make sure Hotels are open. If you already booked other hotels, there is no problem, most of them are near (600mts) to the course center.
